

CEPHEUS

Intelligent Palletizing Solution

ARMSTRONG®
lives made easy...

Is your palletizing area a bottleneck?

Utilizing your valuable workforce for mundane task of pick & place eats into your Op-Ex. The out-turn is slacked-off throughput, low ergonomic quotient, frail pallet built with zero product visibility.

Armstrong's Cepheus is a swift and smart palletizing solution that provides a consistent high through-put and superior pallet build quality. It integrates the data with upstream and downstream systems to give complete traceability of product position on the pallet.

Advanced Turn-Key Palletizing Solution

- Fast operations
- Real-time tracking
- Myriad range of product handling
- Equipped with Video analytics for advanced safety
- Zero Errors & pilferages
- Compact Footprint
- Easy handling of multiple SKU
- 24/7 running operations

Seamless Integraton

We ensure seamless data flow from the Sorter to ASRS via Robotic Palletizer whilst delivering an intelligent solution.

Armstrong coalesces your system data with software that gives machines a vision and a smart autonomous robotic environment.

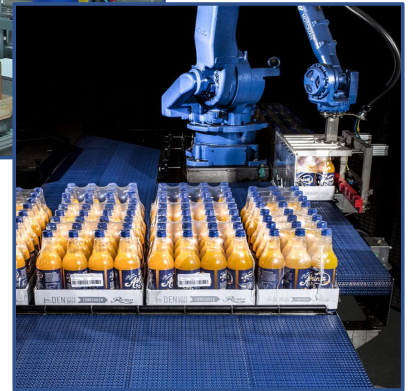

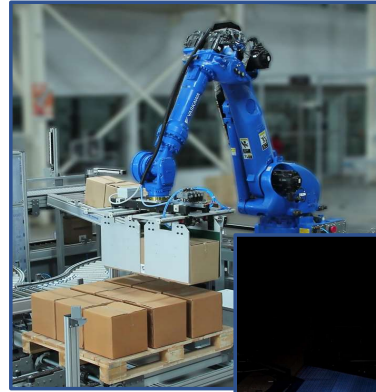

Making Solutions Intelligent... for all Palletizing Applications

- Tackle & optimize enormous data traffic
- Integrated AI-driven system
- Intuitive pendant for operational clarity
- Configurable pallet matrix
- WCS for complete operational control
- Easy interchangeability of pallet matrix
- Smart Annunciation
- Lowest TCO & quick ROI

Applications

- ❑ Case Palletizing
- ❑ Shrink Pack Palletizing
- ❑ Tin Palletizing
- ❑ Bag Palletizing
- ❑ Crate Palletizing

Integrated Upstream & Downstream Systems

- ❑ End of the line conveying & sorting solution at upstream
- ❑ Pallet dispensing and pallet conveying solutions at downstream
- ❑ Pallet profiler for higher accuracy
- ❑ Pallet packing solutions
- ❑ Automated Storage & Retrieval System

Why Armstrong?

With over 2 decades of executive consultancy & innovation for 1000+ projects, Armstrong is the biggest & most trusted brand in Intralogistics Automation. Our uniquely crafted solutions double your productivity, eliminate pilferage and render 100% visibility. To enhance your profitability, we deploy Robotics, Artificial Intelligence, Machine Learning and Business Intelligence.
